

## Expression of Interest for Development of 50 MW Power Project on BOOT Basis

Hindustan Newsprint Limited (HNL),

Newsprint Nagar P.O, Kottayam District, Kerala.  
Tender No.:HNL/EDP/COM/133 dtd 05-03-2012.

**The opportunity:** Hindustan Newsprint Limited (HNL) in its capacity as the captive power consumer (procurer) has launched an initiative for development of coal based power plant at Newsprintnagar, Kottayam district, Kerala state. This project will be awarded to the bidder on the basis of tariff based competitive bidding. Expression of Interest is invited from prospective developers for setting up a Power Plant on BOOT basis.

**The project:** HNL, the leader in the newsprint market, intends to expand our existing plant. It is estimated that about 26MW of Power is required for the new plant alone on completion of the total expansion plan. As a captive consumer, HNL proposes to develop a 50 MW ( $\pm 10\%$ ) power Project to be developed through tariff based bidding process. The development of the project shall include establishment, operation and maintenance of Power plant on BOOT basis. The details of BOOT period will be mentioned in the Request for Qualification (RfQ) document, which will be issued after the Bidders meet. The dispatch right of surplus Power above the 26 MW(51% of the installed capacity) of captive consumption by HNL, will be kept with the developer for sale to third party subject to requisite approval by authorities concerned. In addition to the 26 MW of power, HNL also require about 70-80 TPH low pressure steam for the process plant.

The modalities for managing the proposed power project would be discussed and finalised at a later stage. HNL is having basic infrastructure facilities such as land, water linkage, railway connectivity to site etc.

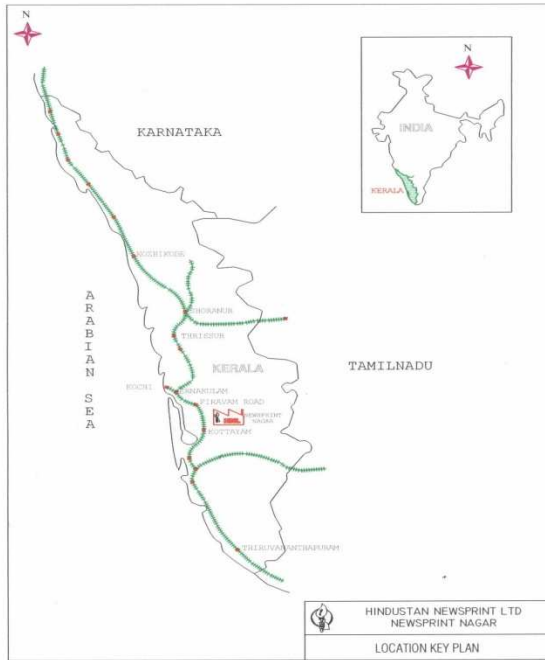

Bidder has to arrange the coal required for the Power Project.

HNL may also be interested to take cashless equity against the infrastructure/facility provided by HNL for the project, subject to requisite approval by authorities concerned.

The modality of providing infrastructure/ facilities & implementation plan will be discussed in the Bidder's meet and will be detailed out in the RfQ document. The project under reference is subject to the approval by competent authorities to which submission of application is under process.

Interested parties are requested to submit a brief write-up of their financial and technical capabilities along with the format duly filled up on or before **08-05-2012**. It is envisaged that during the meeting the prospective bidders can interact with HNL/Consultant and discuss about the project structure and other related issues. The qualifying requirements of the bidders will be based on the Guidelines issued from time to time by Ministry of Power for tariff based competitive bidding.

If any bidder needs any clarification against the EoI, the same be forwarded to HNL at least three days prior to the Bidder's meet which is tentatively fixed on 19-04-2012. The EoI shall be submitted in a sealed cover super scribing the name of the tender, tender number with date and tender due date on the cover.

The HNL site is located in the Velloor village of Vaikom Taluke of Kottayam District, Kerala. The Piravam Road railway station is only two Kilometers from the site, which is in the Trivandrum–Ernakulam Broad gauge line. The site is about 32 Km and 28 Km from Kottayam and Ernakulam Railway stations respectively. Kochi International Airport is about 65 Km and the Kochi sea port is about 40 Km from the site.
